CENTER FOR BASIC RESEARCH LIBRARY

The Ugandan Center for Basic Research Library provides Kampala with access to contemporary information. The library aims to provide up to date information on contemporary issues facing Ugandans in Kampala. This fosters further reasearch and allows Ugandan's to take part in the socail changes that will effect their day to day life. Because the CBRL is a private library its funding come from corporations and through fees paid by those wishing to use its services.

BRITISH COUNCIL LIBRARY :: UGANDA

The British Council Library branch located in Kampala is part of an international network of private libraries based in the United Kingdom. The BCL provides extensive services to its fee paying users such as access to testing centers, scholarship notification, and opprotunities to travel and study abroad accross the world. The primary goal of the library organization is to provide an opprotunity for higher level education to its patrons.
